

Membership Information 2023

A Chara

We hope you all had a lovely Christmas with your families and we wish you all a Happy New Year and a successful 2023 on the GAA Pitches. January and February are expensive times for all GAA clubs as we have to pay the Registration fees to the three associations along with insurance costs. Our fees become due on the 1st of January and that covers you for the year and we expect to go live this coming Friday.

Despite so many increases to the running costs of the club The membership costs for 2023 are the same as 2022.

If you don't receive an email by the Saturday the 14th of January, then log onto [Membership \(naomholaf.ie\)](http://naomholaf.ie)

Paying the Membership

Anyone who was a paid up member in 2022 will receive an email from Clubzap and it will be a **Renew Membership** email. All you will have to do is click on the link in the email from them to renew and you will be brought to the membership portal to pay the 2023 subscription. The details you filled in last year should be there for you when you click on the link so please review the details for yourself and your family and you will only have to select a few things like the Team you or your children will be playing with in 2023. To make that part easy (as we see many of the parents ticking the incorrect team box every year) the list below will guide you as to what team your child should be part of in 2023 as it is all down to their year of birth.

If you are an adult playing member then please make sure you change the box from Adult Non Playing to Adult Playing as it has a bearing on the cost and you need to have it correct so that you are covered by insurance and registration for playing in 2023, equally if it happens to be set on Adult Playing and you are a Non Playing adult then please reset it to Adult Non Playing.

If for any reason you do not get the email from Clubzap then you can always follow the link on the club website to pay your membership but you will then have to fill in all your details again so please check your Junk or Spam mail later in the week to look for a Clubzap email.

Membership can be paid in one instalment or if you wish, just before you complete the membership you will see the option to pay over 4 equal instalments, simply tick this box and your card will be debited each month for 4 months at no extra cost.

Loyalty Card

The Loyalty Card will continue to be part of the membership so all Family memberships have a €50 amount and all individual adult membership have a €25 amount as part of your membership, these amounts are your own funds and you get them added to your card when you present your membership receipt and ID in the bar. You can use the funds during the year on coffees, minerals or drinks in the bar, the funds will stay on your card during 2023 until they are used or until the end of 2023. The card will be reset in 2024 so it is best to use them so you can get the benefit and get great use out of our facilities.

YOB Team in 2023

2018 **Academy Year 1** Girls or Boys
2017 **Academy Year 2** Girls or Boys
2016 **Academy Year 3** Girls or Boys
